Testimonials

We had a wonderful honeymoon thanks to VIP Express Tourism Limited. The apartment was wonderful! Well equipped and very clean. The location is perfect, waking up to a beach sunrise was a beautiful experience.

Arriving to complimentary champagne, chocolates and petals on the bed was a pleasant surprise. We also enjoyed our complimentary tour and the historical information from our tour guide. We are sad to be leaving after two weeks but we will definitely be back with our family and friends. Thank you! - **Mr. & Mrs. Nwosu**

Lagoon Beach, Cape Town - South Africa

Our stay at Mnarani Club was a refreshing experience. In the very quiet environment our stay was stress free with lots of activities to occupy our days so that one could not be bored, there was no compelling need to seek excitement anywhere else.

The walks through Kilifi Town and Mnarani Village were very educating revealing some of the shared history of the African. The meals were not only delicious but very satisfying with the basic African taste.

We will not hesitate to come back another time to explore the tourist facilities in Kenya. Also we are eager to recommend Mnarani Club to friends - **Istifanus B. Bosan**

Accommodation is very spacious, well located, well equipped and furnished with all gadgets working. The environment is lovely and accommodating, and looking beautiful. I enjoyed my stay and visited many places like, Coco Beach, Magic World, Disney World and shopping malls.

I also enjoyed a boat ride at the Alligator Lake. I tried different foods like crab and steaks and different types of drinks. I enjoyed my stay with thanks to VIP Express!

We had a beautiful holiday package experience in Monateng Lodge. We were opportune to participate in the Game Drive, Croc Tours, meet & greet party and a night-out for moms and dads on different occasions.

The experience was fun-filled and educative. We felt home in the midst of people around us. The relationship between the staffs and guests sincere and lovely.

Monateng resort is indeed a home away from home. The environment is so natural and something to talk about. Our sincere kudos to VIP Express Tourism Limited and Monateng Lodge. You all rock, thanks.

- Mr. & Mrs. Chukwu

My wife and I came on vacation to Cape Town with our three children. The facilities at the Lagoon Beach Apartments were excellent, best-in-class and adequate. The city of Cape Town is very lovely, beautiful and the residents are friendly and welcoming.

Cape Town is a destination that anyone would like to visit again and again. The city can be compared to any major city across the globe. The opportunities around here and the serenity of the city and the diverse nature of people makes it a place where anyone can visit and come of legit business or holiday without fear or hindrance.

I would encourage people to try visit Cape Town and have a wonderful experience of a world class city.

Foundation of the Family

The traditional close family has long been recognized as the foundation of a healthy and flourishing society.

Keeping the family life healthy and balanced puts a lot of strain on the breadwinner.

This platform will ensure that the family never have to compromise their hopes and dreams. Often the joy of that responsibility is taken away from us as a result of financial constraints and limitations.

What's created here is *magical*

The future of home grown industries worldwide

As we all know, everybody wants to work from home. The model you've been introduced to here is one of the best ways you can achieve that. It gives you the option to operate from anywhere in the country and have optimum growth in your new business.

You are not area constrained, you determine the pace and you've got a powerful wealth generation vehicle. We are not magicians but what's created here is magic.

We have perfected a well known concept. We've combined the leisure industry with a new generation active referral marketing program, added simple and basic network marketing to give you, the new member, the best of both worlds:

- luxury holidays with huge earning potential from word of mouth marketing.

"Because it's only when you hitch your wagon to something larger than yourself that you realise your true potential." - Barack Obama

Word of mouth **marketing**

"Advertising is obsolete, everyone says so"

An interesting statement from New York Times! This quote appeared in the New York Times, describing the power of word of mouth marketing.

So what is word of mouth marketing?

It is actually part of our daily lifestyle (human nature). We endorse products and services daily to the people in our circle of influence, but we don't normally expect to get rewarded for that. A good example is when you discover a good restaurant, or see an excellent movie, you tell all of your friends!

The financial beneficiaries from your word of mouth marketing are the companies selling those products or offering those services. We believe it's time to reward the 'mouths'.

We will use the money normally spent on advertising, consultants, rental agencies, telly-sales consultants and telephone accounts and reward you, the new member, handsomely in the active referral reward.

Guaranteed **brilliant holidays**

What VIP Express Tourism Limited will do for your lifestyle

The beauty of the system is, you receive your full commission in the month your referral joins and all necessary payments have been met and cleared.

You will, at the tips of your fingers have guaranteed brilliant holidays available.

We have designed the best interactive holiday system yet.

You do your own bookings at our Reservations Department, booking accommodation at specified resorts and the option to exchange with 3900 other resorts world wide.

You are now going to earn passive income and your business investment is for the exclusive use for you and your loved ones.

Club Elite offers the highest payout to Members in the referral programme of any other club in the industry.

Unlimited income **an opportunity just for you**

Retail / Manufacturing Business

1. Extremely high cost to start/buy, huge sum of money tied up.
2. Bulk of your earnings will be active income (exchanging time for money).
3. Income limited by supply and demand.
4. Most retail or manufacturing businesses are not home based.

Compared to - Your VIP Express Tourism Limited Business

1. Low capital layout to start.
2. Start off in the active quadrant/grow into the passive quadrant.
3. No lid on the possible growth of your business.
4. The product is for you and your family's exclusive use.

No Comparison!

Q. If I can't or don't want to use my allocated holiday week at the specific allocated resort or at the specified time, what can I do to change that?
